

2019 Smart Commute Information

What activities qualify as Smart Commutes?

Smart Commute Emmet is committed to promoting human powered and sustainable means of travel as a way to improve our health, communities, and planet. We urge you to ditching the solo car trip and bike, walk, carpool, or use using public transit to get around town!

How to Participate

For the first week, use breakfast vouchers to redeem your free breakfasts for smart commuting and create an account on smartcommuteemmet.org. Once you've established your log in, you can keep tracking your commutes all summer long. The more you track, the more chances you have to win prizes from our great sponsors!
